

Remarks

The above amendment is being made in order to amend claim 31 to add the subject matter of allowable claim 17 thereto. While this was intended when claim 31 was originally filed, inadvertently that change was omitted.

Further examination of the application, pursuant to the Request for Continued Examination, is now awaited.

May 1, 2006

Respectfully submitted,

A handwritten signature in black ink that reads "William M. Lee, Jr." with a stylized flourish at the end.
